The map displays a complex network of roads, including the A10 and A2 highways. It also shows numerous smaller settlements and landmarks, such as the Puppenmuseum in Villach and the Sommerrodelbahn in Steindorf. The Drauzug river is a prominent feature, flowing through the region. The map is color-coded to show different types of terrain, with green for forests and brown for mountains. A thick black line is drawn across the map, likely representing a specific route or boundary. The map is titled 'Feldkirchen in Kärnten' in the upper right corner.
